Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Economical Defence of the Country From Internal Tumult and Foreign Aggression The outlines of the plan set forth in the following pages have long been before my mind (and have been glanced at in one of my Reports), in reference chiefly to a greater security from domestic tumult, and to the suppression and prevention of crime; a subject which has for many years occupied much of my attention, and in which, during the last twelve years, I have, as an Inspector of Prisons, been officially interested. It appears to me that the plan proposed would be efficacious also in guarding us from foreign aggression, and would, at the same time, be free from most of those evils, the fear of which produces so loud a protest against an augmentation of the ordinary means of external defence. I need scarcely state, that in offering the following suggestions for consideration, I appear wholly in a private capacity, and that I do not presume to claim for them any additional weight from the circumstance of my having the honour to hold an office under Government.
