Behind the Ivy Curtain: A Data Driven Guide to Elite College Admissions (Paperback)

By Aayush Upadhyay

Createspace, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. This book uses real data from nearly 5,000 students to discuss what works and what doesn't for Ivy League admissions, and presents a plan that any student can use to maximize their chances of getting accepted to a top school. I analyzed SAT/ACT/GPA/test scores as well as qualitative things like extracurriculars and recommendations/essays from the College Confidential forums to build up a database of profiles and admission outcomes. The book is intended for high school students and parents who want to learn more about what happens behind the scenes in the admissions process and what things make an applicant competitive and what is just a waste of time. Professional college consultants charge thousands of dollars for this information, and here's your chance to get the same advice for just \$5. Much of the information is available online buried deep in forums and comments over the years. I first found this world as a high school sophomore and soaked in as much knowledge as I could and became the first kid from my school to attend an...

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.
-- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
-- Dr. Barney Robel Jr.
