Vincere senza combattere. Da Sun Tzu ai 36 stratagemmi: l'arte della strategia secondo l'antico pensiero cinese.

By Fayard, Pierre

Casa Editrice Ponte alle Grazie, 2010. Book Condition: new. Traduzione di Currà R., Golasseni C. Milano, 2010; br., pp. 188, cm 14x20,5. (Saggi). Capacità di analizzare situazioni e contesti, uso dell'astuzia e della creatività, decifrazione dei segnali che annunciano il cambiamento, attenzione a non sprecare energie e ricerca dell'armonia: queste le doti dello stratega come emergono da due grandi libri sapienziali cinesi, L'arte della guerra di Sun Tzu e I 36 stratagemmi. Fedele all'essenza profondamente pragmatica dell'antico pensiero cinese, Pierre Fayard ha scritto questo libro con il proposito di rendere espliciti all'orecchio e alla mente di noi occidentali i contenuti originariamente espressi in formule poetiche e metaforiche, creando così un ponte tra mentalità orientale e sensibilità occidentale. Utilizzando storie esemplari, antiche o modernissime, lontanissime vicine alla nostra quotidianità, questo libro spiega, chiarisce, approfondisce le massime alle quali sempre più, nel nostro mondo complesso e globalizzato, si ispirano coloro che vogliono coglierne le sfide, nelle decisioni che riguardano la propria vita di tutti i giorni, o che hanno a che fare con i massimi sistemi della politica e dell'economia.
