*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which it basically modified me, altered the way I believe.*

## ARTHUR WRITES A STORY

Little, Brown Young Readers. Paperback. Book Condition: New. Paperback. Dimensions: 9.8in. x 7.3in. x 0.2in. Arthur has to write a story as a homework assignment and keeps changing his idea of what to write as he talks to his friends. When Mr. Ratburn asks the class to write a story, Arthur immediately produces a composition entitled How I Got My Puppy Pal. But as one person after another gives him advice about what constitutes a good story, he keeps making changes until he ends up with an outlandish song and dance number about elephants on the Planet Shmellafint! Text copyright 2004 Lectorum Publications, Inc. When Mrs. Ratburn gives a creative writing assignment to the class, Arthur worries that his first story is not exciting enough, leading him to make his story more humorous, until he writes the final story, but he still does not know if it is entertaining.
