Using native voice overs to aid the French learning we have also broken the vocabulary down into relevant groups of words that can be learnt day by day. With the industry previously being dominated by Michel Thomas, Collins and Rosetta Stone now there is Learn French Words which provides a much more affordable and less risk route to study French. -----

-----There is a slim line booklet that comes with the Audio book - slim enough to arrive in your CD case, so it can easily fit into your jacket pocket, and you can learn French on your daily commute. The French language Audio book is designed to be a French learning tool capable of being audio only but supported by a French dictionary to ensure correct spellings and correct pronunciation.-----

----- Chapters include numbers, colours, days, months, adjectives, and verbs - the full list of chapters is listed on the website under CD content. So whether you are planning to learn French for a holiday, for business, for pleasure, or to help further your career, our French learning CD is intended to be the first step on the French language learning path, to help get you started. -----
