Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.How To Find A Husband Following God s Will was written by a woman who wishes that such a book had been there for her. At its heart are two things: God and God s will. It is not a book of quick fixes or solutions. It was designed for women of all ages who want to get married and explores the issues that arise when preparing to date and find a spouse. The reader takes a pilgrimage of introspection and meditation through various facets of their lives including a personal relationship with God, exercising patience, cultivating a vision, examining the reasons they want to get married, self-knowledge and self-improvement. The self-improvement section looks at beauty, modesty, charity, health, spirituality, honesty, education, tithing, and financial stewardship. Other sections cover God s plan for marriage, creating a home, the tragedy of divorce, the power of prayer and faith, and guidance on how to be a good wife. How To Find A Husband is distinct from other books on the subject in that it asks the reader to accept the possibility that marriage may not be in God s plan for them - and further urges the reader to yield to God s will. It is appropriate for women who desire a closer relationship with God, want to explore their understanding of marriage, and aspire to grow.
