BookBaby, United States, 2016. Paperback. Book Condition: New. 226 x 155 mm. Language: English . Brand New Book. The spiritual realm interacts in the affairs of man. In the Old Testament we see this in the life of Abraham and Lot. If we look at the book of Job we see where his life was greatly affected by demonic spiritual activity when Lucifer challenged God concerning Job s life. We see it in the Exodus of the Chosen People. We see it in the record of Daniel and Isaiah and Ezekiel and Jeremiah. Today man is most often not aware of the existence of this angelic realm, has no concern of the consequences of it, and is led to doubt even the existence of God Himself. Man today does not understand God has not changed His plan but is still active and will complete His purpose. God is going to re-gather the descendants of Abraham and restore them to the land of Israel very soon. They will complete their purpose of evangelizing the world during the Tribulation and into the Millennial Kingdom. The next event on God s calendar is His removal of the body of Christ (those who have accepted Christ as their personal Savior) in the Rapture, and then the coming judgment because man has rejected God and in many cases even denies His very existence. After these events Christ will return to the earth and reign forever. The Bible is not a chronological book. It does not start at the beginning with the creation and follow through event by event sequentially to the end, which will be the battle of Armageddon. The Bible is a parenthetical book, meaning the full revelation of everything pertaining to a particular event may be given at various times to different writers....
