Mr. Box examines Matthew first, and brings out well the fact that, whether history or romance, it is Jewish to the core, as well as an integral part of the First Gospel. It is, moreover, largely dominated by the methods of Jewish Midrash. The genealogy, for example, is a sort of midrashic commentary, in genealogical terms, on the real genealogy, which is more correctly preserved in the Third Gospel. The Jewish calumnies regarding the birth of Jesus are thrown back on their authors by the mention of the women, aliens or undesirables, whose names figured in the ancestry of the royal house of Judah. It is impossible to summarize further this acute and helpful paper. Its conclusion is that the fashionable interpretation of the Virgin Birth as an adaptation of pagan ideas is utterly inconsistent with the whole character of the documents in question. Whatever view of the problem we hold, we shall get no light in this way, and the story must be a purely Jewish myth, if myth it be. Such a statement undeniably clears the ground for the further investigation of this great question. The publishers of this invaluable Zeitschrift are sending to all who apply a most useful specimen of the present issue, containing 32 pages selected from the articles sketched above, and a table of contents of the five volumes already published. We strongly advise students to procure this Probe-Heft from...
