

The Carrier: A Zailer and Waterhouse Mystery

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Putnam/BOMC. 1 Cloth(s), 2013. hard. Book Condition: New. (UK National Book Awards Crime Thriller of the Year/2013) This eighth book in Sophie Hannah's Zailer and Waterhouse series (following *Kind of Cruel*) will keep readers guessing until the very end. When Gaby Struthers's plane is delayed overnight, she finds herself forced to share a hotel room with a terrified young woman named Lauren Cookson. But why is Lauren afraid of Gaby in particular? Lauren won't explain; instead she blurts out something about an innocent man going to prison for a murder he didn't commit. Gaby soon suspects that Lauren's presence on her flight isn't a coincidence, because the murder victim is Francine Breary, the wife of the only man Gaby has ever truly loved. Tim Breary has confessed and even provided the police with the pillow he used to smother Francine. The only thing he hasn't given them is a motive; he claims to have no idea why he murdered his wife."The genius of Hannah's domestic thrillers along with the twistiest plots known to woman is that she creates ordinary people whose psychological quirks make them as monstrous as any serial killer." *Guardian (London)* "Contemporary in its intent and setting, the novel is also a pleasingly old-fashioned 'locked room' mystery, with Hannah referencing Agatha Christie a number of times. A very satisfying addition to Hannah's canon." *Irish Times* 470.
