Operations Management (Paperback)

By Alistair Brandon-Jones, Nigel Slack, Robert Johnston

Pearson Education Limited, United Kingdom, 2016. Paperback. Book Condition: New. 8th Revised edition. 265 x 195 mm.

Language: N/A. Brand New Book. Operations management is important, exciting, challenging .and everywhere you look! * Important, because it enables organizations to provide services and products that we all need * Exciting, because it is central to constant changes in customer preference, networks of supply and demand, and developments in technology * Challenging, because solutions must be must be financially sound, resource-efficient, as well as environmentally and socially responsible * And everywhere, because in our daily lives, whether at work or at home, we all experience and manage processes and operations. New features: * There are now more than 110 of the popular Operations in Practice examples throughout the book, over 40 of which are new. * The importance of sustainability and Corporate Social Responsibility (CSR) has been emphasized further, and included throughout the book. * We have even further strengthened the emphasis on the idea that operations management is relevant to every type of business and all functional areas of the organization. * Many new ideas in operations management have been incorporated, including the three level approach to performance, the relationship between...

Reviews

This book will never be straightforward to start on reading through but quite enjoyable to learn. Better then never, though i am quite late in start reading this one. Your lifestyle span will probably be convert once you complete reading this publication.

-- **Dr. Kadin Hane DVM**

This publication may be worth purchasing. it was actually writtern quite flawlessly and valuable. I am just happy to tell you that this is actually the very best book i actually have study inside my personal life and can be he best ebook for actually.
