Brand New Book ***** Print on Demand *****.Excerpt from Home Fruit Grower In writing this book my aim has been to enhance the home production of fine fruit and thereby foster better living. As the text clearly shows, I have herein consistently ruled against commercial standards and practices, whenever these fall below the high order of merit and quality set by the amateur. The commercial grower produces fruit for a livelihood, to supply the demands of people who do not grow it; the amateur grows it for the joy of achievement, for the realization of a high ideal. In the one case the fruit is the means to an end; in the other, it is the end itself. Both men are needed in our national economy, but of the two, as shown in chapter 13, the amateur from the beginning has played, and should continue to play, the title role because he, rather than the commercial grower, sets the standard of excellence. Such being the case, effort has been made to depict the pleasure of growing - and eating - fine fruits and, by means of photo-engravings, to portray the restful and the refining influences of home fruit growing. These pictures which present glimpses of home plantations, such as those in which my boyhood and young manhood were spent, reveal happy blendings of beauty and utility and should, therefore, prove suggestive and helpful to the dweller on the city and suburban lot, the owner of a country place, and the farmer who aims to give an air of refinement and hominess to his residence, without belittling utility and economy. As beginners are often bewildered by descriptions of varieties in nurserymen s catalogs, as they...
