Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from A Manual on Inhalers, Inhalations and Inhalants: And Guide to Their Discriminating Use in the Treatment of Common Catarrhal Diseases of the Respiratory Tract I am convinced that a small book on inhalers, inhalations, and inhalants, is needed by general practitioners of medicine. First, because the text-books for sale are somewhat out of date. Second, because those obtainable do not answer actual requirements, owing to their size and completeness. By this criticism, I mean particularly that many inhalers are described in detail, which are no longer employed at all - and, indeed, never were used, except perhaps by the inventors - and views are related at length, which were formerly debatable, but now are settled definitely. I am of the opinion, also, that books of this sort are useful only when based upon personal experience, and also provided they express individual convictions, and not simply the opinions of others. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
