3D Publishing, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Would you take action to find financial freedom, peace, and joy if you only had to spent 5 minutes a day on something? Would you spend 300 seconds a day to reduce financial stress in your life? If you answered yes to the above, I say kudos to you for taking action to read this book! Carving time out of your schedule to further educate yourself on something that has the potential to change your life will be rewarding! You get double brownie points especially since: \* Personal finance can be a very boring subject to learn about. \* Personal finance is not talked about openly in our society (it is like discussing one's underwear in public). Being that personal finances is a hush, hush subject in our society, it probably explains why many people today are living in such pain, embarrassment and shame around their finances. It seems strange when you step back to think about the incredible impact finances can have on our lives, our community and our work. Yet knowing this, we still don't talk about it, we don't take time to learn about it, and frankly, the thought of doing so can give many of us the shiver me timbers. Why do I know all this? I use to be one of those people who: \* Didn't talk about my finances. \* Didn't have time to learn about it \* Didn't have any inclination to learn about it. (Just between you and me, I would have been horrified at taking a class or reading a book on personal finances. Yuck and double yuck.) Why then am I...
