Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Captain the Honorable Charles Montague, eldest son and heir to Lord George Montague, of Bridgewater Hall, Yorkshire, England, said Marcel, reading the letters, and Lieutenant Arthur Melville, son to Sir Frederick William Melville, of Newton-on-the-Hill, Staffordshire, England. Those names sound well, don t they, eh, Chester? They roll like the Delaware. I could not restrain a smile at the prim and choppy way in which Marcel pronounced the names and titles, just as if he were calling the roll of our company. Nevertheless, I wished to hide it, feeling some sympathy for the two young Englishmen because of the grievous state into which they had fallen. As they stood a bit apart from us, they preserved the seeming of dignity, but in truth it was apparent that beneath this cloak they were sore troubled in mind; and well they had a right to be. It was a hard fate to come all the way across the ocean with letters of high recommendation to one s commander-in-chief, only to fall into the hands of the enemy, letters and all, with the place of destination almost in sight.
