

The Truth Is Out There (Paperback)

By Roselaine Joseph, Wiles R J

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. This is just a little reminder to Christians to stay alert and stand strong in the word. Christians ought to be mindful of all of the events taking place around the world, and the false prophets out there. We cannot live our lives like the world, and must be an example just as Christ Jesus was. Most importantly, we cannot look to government for answers because they don t have them. Remember, only God has the cure to all of our problems on earth. Christians, if you don t know whose you are and what you stand for it will be easy for you to be lead astray. We have to steer the world in the right direction and that is to Jesus Christ because through him the world will be saved. A lot of the things I share in this book will not sit well with some of you who read it, but that s if you don t know the word. Know that I write this out of love for Christians and non-Christians.
