It is hard to say whether this little volume is most clever or amusing. Certainly it unites the two qualities in no ordinary degree. The author's satire is never bitter, while his sketches of the different shades of clerical opinion are genuinely humorous. The Prig is perfectly acquainted with the weakness of the position held up to ridicule, and the book is written with real ability. - Morning Post. . The delicate suggestiveness of the wit is admirable. Who but the Prig would bring the idea of the new saints to birth at a meat tea! Or, c, c. Long live the Prig. - Western Morning News. . Genuine fun to the last page. We have left ourselves space only to send our readers to the book itself. . . . We feel quite sure that wherever these capital little books are read, there too will be laughter holding its sides. - Dublin Review. . There are some smart hits. Very excellent fooling, and the Prig cannot be charged with unfairness in his selections of the names he assumes to be proposed for canonization. - Church Times. . Smartly written. - Saturday Review. . Whether the reader does or does not enjoy the Prig's lively skit will depend a good deal on his theological predilections. It relates how the Rev.
