An excerpt from the Economic Review, Volume 1: THIS is a complete exposition of English Socialism in its latest maturest phase, says Mr. Sidney Webb (Socialism in England, p. 38). If one of the cleverest contributors had not thus set his own estimate on the aim and value of the volume of essays, a critic who should demand from it a complete and coherent manifesto of the New Socialism might fairly be held a little exacting. I do not intend to press Mr. Webbs ambitious description; it would be a graceless and a barren task to employ a microscopic eye in the discovery of inconsistencies in the essays and between the essays of the individual writers; I prefer to view the book as the outcome of a common wave of thought. Quot homines, tot sentent; who would not shrink before the task of editing the contributions of seven keen and original minds One feels that something of compromise has entered into the collaboration; that some of the writers, at any rate, would have said a good deal more...
