# SUSTAINABLE DEVELOPMENT AT RISK: IGNORING THE PAST

Cambridge University Press/Foundation Books, 2007. Hardcover. Book Condition: New. First edition. Over the past half century, the idea of sustainable development has evolved and rooted itself in the lexicon on international development. But what is it, really? Are development agencies truly committed to long-term sustainable solutions to development issues? Are we learning from our past successes and failures? This book takes an historical perspective on these questions. The analysis begins with the Atlantic Charter, the creation of the United Nations,...
