NICHOLAS BREALEY PUBLISHING, United States, 2015. Paperback. Book Condition: New. Reprint. 226 x 152 mm. Language: English . Brand New Book. The inspiring people who lead with integrity, move things forward, garner commitment from others and are willing to ask the tough questions when necessary are the real leaders who generate and sustain cultures of character in organizations. Decent People, Decent Company puts the power to develop the core qualities of leadership character into the hands of anyone dedicated to bringing integrity, respect and personal responsibility back to the workplace. Drawing on more than 25 years of experience working with hundreds of CEOs, managers and teams, this innovative husband-and-wife team provides both the inspiration and the tools to help people move from asking Why don t they? to asking What can I? With their original and dynamic Leadership Character Model, the Turknets have captured the essence of what it takes to revitalize attitudes and behavior, unleash leadership integrity and reinvigorate organizations. Decent People, Decent Company identifies the eight essential traits of leadership character: empathy, emotional mastery, lack of blame, humility, accountability, courage, self-confidence and focus on the whole. In chapters that focus on each quality, dozens of leaders bring to life the struggles and triumphs of developing the behaviors of character and ethical leadership required to bring out the best in everyone.
