GOD S Gift Giving Day is a fictional account, told through the eyes and memories of Temani, a guardian angel that had been personally involved at the time the three wise men, of biblical fame, made their famous journey from Babylon to the little town of Bethlehem. What did the wandering stars (planets) tell them that caused them to take the journey in the first place . and what did the Star of Bethlehem tell them when they got there. Herein lies the dividing line between fiction and fact. Using the extremely precise math of computerized software we can now not only predict what the planets in our solar system will do in the future, but also exactly what they did in the past. Through this new technology we literally have a window into the past that allows us to see what they, the Magi of Babylon, saw in the night sky that led them to the young Lord Jesus where they presented the very first gifts of Christmas.
