Allie is a market research analyst from New York who receives a surprising invitation, a scoop of epic proportions. Initially, Allie and her young daughter fall in love with the Island as they experience its generous lifestyle. But she learns too much and disturbs a system that cannot tolerate defiance. Confronted by the true power behind the facade of benevolence, Allie discovers why an Island should not become an island, entire of itself. At the same time, Allie wrestles with inexplicable incidents that rattle her perspectives, a personal revolution that counters her outward rebellion. Help appears in diverse and mysterious forms, but whom can she trust? And will it be enough to save both Allie and her daughter? This item ships from multiple locations.
