Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Darkly you sweep on, Eternal Fugitive, round whose bodiless rush stagnant space frets into eddying bubbles of light. Is your heart lost to the Lover calling you across his immeasurable loneliness? Is the aching urgency of your haste the sole reason why your tangled tresses break into stormy riot and pearls of fire roll along your path as from a broken necklace? Your fleeting steps kiss the dust of this world into sweetness, sweeping aside all waste; the storm centred with your dancing limbs shakes the sacred shower of death over life and freshens her growth. Should you in sudden weariness stop for a moment, the world would rumble into a heap, an encumbrance, barring its own progress, and even the least speck of dust would pierce the sky throughout its infinity with an unbearable pressure. My thoughts are quickened by this rhythm of unseen feet round which the anklets of light are shaken.
