

The Case of the Lamp That Went Out (Dodo Press) (Paperback)

By Frau Auguste Groner, Grace Isabel Colbron

Dodo Press, United Kingdom, 2008. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Frau. Auguste Groner (1850-1929) co-authored Grace Isabel Colborn (1869-1948) in writing a series of detective stories. The main character in the series was detective Joe Miller. They also collaborated in writing The Lady in Blue in 1922. Other works by Groner are: The Man with the Black Cord (1911) and Mene Tekel (1912). They were subsequently translated from German into English by Colborn. Joseph Muller, Secret Service detective of the Imperial Austrian police, is one of the great experts in his profession. In personality he differs greatly from other famous detectives. He has neither the impressive authority of Sherlock Holmes, nor the keen brilliancy of Monsieur Lecoq. Muller is a small, slight, plainlooking man, of indefinite age, and of much humbleness of mien.

Reviews

The publication is easy in read through safer to comprehend. It is actually loaded with wisdom and knowledge Its been printed in an extremely simple way and is particularly simply right after i finished reading through this pdf where actually modified me, affect the way i believe.

-- Ms. Clementina Cole V

This is the very best publication i have got read until now. It is definitely simplified but shocks within the fifty percent of the pdf. You may like how the article writer create this pdf.
