Clarity Works, 2011. Audio Book (CD). Book Condition: New. Connectedness is at the root of an expanded consciousness and the expression of intelligence, wisdom and compassion. A major world problem is an inadequate connection of the animal nature with a guiding spiritual consciousness which provides a global viewpoint. A connection of this sort of any extent is what distinguishes the human being from the animal. Insufficiency of this connection renders a majority of people at our present stage of evolution little more than animals. The primal and mysterious Universal Life-Force is seen to be the Great Connection between First Cause or Spirit and First Matter; between Fire and Water; between Inner Subjective Self and Outer Objective Space. It is the agent behind all alchemical transmutations." Understanding through higher synthetic mind is the key to esoteric knowledge, while differentiating through lower analytical mind (essential to proper observation and the acquisition of exoteric knowledge) must be subservient to the former. The lower mind tends to become entangled with the desires, emotions and senses, and as such is often unreliable when attempting to evaluate the significance and reality of an event. Desires and emotions distract, while the senses deceive. This emotional-mental activity enervates and breaks down the physical body and depletes vitality, whereas the integrating and illuminating power of the higher mind the Inner Knower invigorates and heals. This presentation is given in four parts: (1) Levels of Worlds, Consciousness and Being; (2) The Life-Force The Ultimate Connection; (3) The Theory and Practice of Alchemy; and (4) Practical Considerations in Spiritual Work. Appendices cover Evolutionary Cycles and Subtle Body Energy Fields. This is an eBook and is delivered as a data (PDF) CD packaged in a compact case. All sales are final.
