This item is printed on demand - Print on Demand Neuware - Seminar paper from the year 2006 in the subject American Studies - Culture and Applied Geography, printed single-sided, grade: 2,0, University of Heidelberg (Anglistisches Seminar), course: Cultural Studies: Gender Trouble in U.S.Films, 11 entries in the bibliography, language: English, abstract: Even nowadays people who do not fit in the commonly accepted sexual role models of our society still face severe problems and hostilities which frequently culminate in murder. This is illustrated in the movies Boys don t cry (1999) and Brokeback Mountain (2005). The two low-budged productions by the directors Kimberly Peirce and Ang Lee both tell love stories that are not blessed by society. The individuals suffer the pressure to conform to what is regarded as the correct gender in the respective societies. But what is meant by correct gender Gender , as García Landa defines it, is a matter of language, of signs and symbols . It is a social construct and refers to the cultural representation of sexual difference . In practice it can not be seen completely detached from biological sex as its...
