Ever since the fall of the Calomarde tyranny, the faithful have had a little relaxation in the austerity of their outward religious observances. Before that event, everybody, young and old, were most edifying in their punctuality. There is nothing exaggerated in the text respecting the fatal effects of an irreli qious note. One instance out of many shall be given. A young nobleman of high connexions had embraced the military career, in which he made rapid progress, aided by his social position. When least expecting it, however, he was suddenly placed on half-pay, and ordered to leave Madrid. Conscious of no crime or offence meriting such treatment, and wholly at a loss to account for it, he made the strongest remonstrances against the injustice of the proceeding. He was answered by an order to rerroger sus despachos, . tantamount...
