Morehouse Education Resources, United States, 2012. Paperback. Book Condition: New. 225 x 183 mm. Language: English . Brand New Book. Walter Brueggemann, arguably America s leading Old Testament scholar and theologian, takes us on a wild ride through the poetic prophecy of the Hebrew Scripture, identifying cultural contexts, putting a framework to Israel s history, and, most significantly and times challengingly! drawing connections between Israel s sociological, economic and spiritual status and that of America today. What was the message of these remarkable poet-prophets in their own time and place? What is their message for us today? Who are today s prophetic voices? How has the contemporary church been coopted by culture? What steps can we take to reclaim the prophetic message of distributive justice, nonviolence, loss and hope? And what is your role in bringing God s perspective to today s society? Each of the six sessions begins with a 10-15 minute video presentation by Walter Brueggemann, followed by filmed interaction with a diverse small group. This Participant s Workbook then helps your own local small group join the conversation. It includes all study materials needed by participants an those who lead. Each participant will need one copy. SOLD SEPARATELY. Embracing the Prophets in Contemporary Culture DVD.
