INTERACTION DESIGN IN THE CYBERJOURNALISM SPHERE

LAP Lambert Acad. Publ. Dez 2010, 2010. Taschenbuch. Book Condition: Neu. 220x150x7 mm. This item is printed on demand - Print on Demand Neuware - The book focused on the impact of the Interaction Design in the context of Cyberjournalism. The thesis emphasizes the study of Human-Computer Interaction as a communication process that is conducted through an interface. The concept of interactivity was formulated by means of a multidimensional definition. The new digital scenery and the introduction of interactivity in...

Reviews

I just began looking over this ebook. It really is written in straightforward words and phrases instead of hard to understand. You won't truly feel monotony at whenever you want of the time (that's what catalogues are for relating to should you request me).

-- **Harrison Mayert**

Here is the very best publication we have studied right up until now. It is amongst the most incredible publication we have read through. I am very easily could get a satisfaction of reading through a created publication.
