

Green Was the Earth on the Seventh Day (Paperback)

By Thor Heyerdahl

Little, Brown Book Group, United Kingdom, 1998. Paperback. Book Condition: New. 192 x 126 mm. Language: N/A. Brand New Book. In the late 1930s, Thor Heyerdahl left his home in Norway and set off with his new wife for paradise. Fulfilling a long-held ambition to return to nature, the couple sought, and to a degree found, a natural and unspoiled world on the remote island of Fatu-Hiva in the South Pacific. Based on his original journals, Heyerdahl's documentary account charts how the dreams of a lifetime were transformed into a magical year of hope, excitement and unexpected danger. A timeless story of love and adventure, GREEN WAS THE EARTH is also an impassioned plea for the preservation of the cities and the seas against the tide of pollution and the pursuit of profit, ideas and beliefs, a cry which would shape one man's life and the environmental concerns of successive generations. Powerful and poignant, GREEN WAS THE EARTH ON THE SEVENTH DAY is a very special kind of autobiography.

Reviews

An exceptional pdf and the typeface utilized was fascinating to read through. It can be written in straightforward words and phrases instead of confusing. I am just quickly could possibly get a delight of looking at a written ebook.
 -- Prof. Arlie Bogan

It is a single of the best book. This is for those who state there had not been a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
 -- Dr. Barney Robel Jr.
