

Projects for the Elementary Schools: Sample Materials for Grades Four, Five and Six (Classic Reprint) (Paperback)

By Charles H Elliot

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Projects for the Elementary Schools: Sample Materials for Grades Four, Five and Six This bulletin is similar in plan and purpose to State College Publication, Second Series, No. 4, which includes sample projects for the kindergarten, the first, second and third grades. The present issue offers a series of materials for grades four, five and six. These projects have been developed in our Extension Courses in the Project Method of Instruction. Each teacher pursuing the course has been required to plan a project and, with the permission of her supervisors, work it out in her classroom. A full report of the undertaking of such scope as to be helpful to other teachers of the subject or grade has been rendered in each case. We are convinced that one method for bringing about intelligent progress in education consists in making available to teachers generally samples of the best work done in the public schools in the form of carefully prepared outlines and bibliographies, suggested sources of materials, standards of achievement, sample projects, and the like. We...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Ally Reichel

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
