Nina Duncan has never done anything naughty like this before, but she is seriously tempted. 30,000 feet in the air she finds herself sitting next to a charming man named Julian who can not stop flirting with her. His full lips look so kissable, his biceps are popping out of his short sleeved shirt and she can just tell he has washboard abs underneath there too. One drink turns into a few more and having not had sex in years Nina can feel herself yearning for this complete stranger. She figures, one night of fun won't hurt and no one will ever know. It could be her naughty little secret. Now Nina and Julian are about to join the mile high club and have the hottest sexual experience of their lives, however neither of them expected that this would end up being much, much more.
