Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Teaching is a lot like childbirth - it s messy and beautiful all at the same time. There s tears of joy and pain. The weak may faint. There s screaming. But in the end, it s the best way we know of being fruitful. **TEACHING POETRY** celebrates the beauty and acknowledges the pain of teaching. From having a special education student make a breakthrough to catching a theatre student making out in the bathroom, these poems describe some teacher s everyday. If you are a teacher, this book is a great encouraging read. If you aren t a teacher, you should buy this book for a teacher and tell them thank you. The poems here will have you laughing and crying, depending on the page. Author s Note There s no many better ways to express truth than poetry, and there s no better way to communicate truth than teaching. **TEACHING POETRY** started as a journal to keep me sane as I experienced the great spectrum of anger, heartbreak, joy, and pride almost every single day. Later, I realized that this book could be used to keep other teachers sane too! So whether your a teacher who needs a pat on the back from someone who knows just how great you are, or your someone who wants to see public education through the eyes of today s modern warriors, enjoy.
