Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Not illustrated. 1916 Excerpt: .resell those securities in New York, where they are higher. By this little turn, Winnipeg will save or make, as you like to put it, 20 per cent, of the face value of her debt to the London money market! All these loans in London were for long-time terms. This is only the beginning of a tremendous shifting of Canadian loans from Europe to New York. It also explains in part that other tremendous movement of gold from Canada to New York. The gold with which Canada buys back her own securities from London will be applied to the payment for munitions bought in the United States. We may defeat reciprocity at the polls; but this is as striking a type of triangular reciprocity as ever happened. It explains why England is keen that Canada should cultivate Uncle Sam's good graces, why that is one of the most important functions Canada can achieve in an Imperial Federation. It is not a movement that is on the surface; but it is a movement like the Gulf Stream, with a tremendous undertow of important effects. THE MOBILIZING OF BRITISH INDUSTRIES AMAZING is the readjustment of. British industrial machinery to the demands of war. Heroism and skill in adapting processes combine to achieve a new cooperative preparedness. This editorial in the Richmond News Leader vividly describes it. No sooner was Lloyd-George named minister of munitions than he took his industrial census; scarcely was the census completed before every...
