The toolkit includes three types of tools: (1) QUESTIONNAIRES which are scored assessment instruments to help determine the degree to which a particular problem exists, (2) SKILL WORKSHEETS which allow clients to build and practice the component skills needed to improve a particular problem area, and (3) INFORMATION SHEETS which provide specific information on a problem or topic that's easy for clients to understand and use. Both newer practitioners and experienced practitioners will appreciate the wide range of topics covered in this toolkit, as well as having everything in one place and in a format that's easy to xerox. This item ships from La Vergne, TN. Paperback.
