you asked the question What are GMOs? Where did they come from? Who creates them? How will they affect myself and my family? Are they dangerous? If so, what can I do about it? What

you ll find out by reading this eBook An objective overview of

what is meant by plant genetic engineering (GMO) and an

insight as to where the science and technology came from. An

explanation (without being too sciencey ) of how the genetic

engineering of the DNA of plant species is being combined with

other species, both plant and animal, to create new forms of

life that are being sold to us as food. Why the biotech industry

is so interested in the genetics of our food supply.A historical

journey dating back 12,000 yrs to the start of human

agriculture.An introduction to the infamous flavr-savr tomato.

A perspective of the wider economic, scientific and

philosophical issues which are intrinsic to a full understanding

of the GM food issue. We all...
