Ten Speed Press, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This is a very special book, not just because it's about peaches and the surprising things you can do with them, but because it's also about growing peaches, the farming life, and, most uniquely, because it's composed by a family. While reading *The Perfect Peach*, I couldn't help but wish that every fruit and vegetable had champions like the Masumoto family, for surely each one deserves it. I look forward to that day." -Deborah Madison, author of *Vegetable Literacy* and *Vegetarian Cooking for Everyone* "I have one word for the writing, photography, essays, and topic of this book: luscious. The Masumoto family has produced a glorious paean to the fruit they raise along with delightful ideas about what to do with an abundance of this heavenly fruit: sangria, salsa, pizza, and, of course, shortcake. I can't wait for summer." -Marion Nestle, Professor of Nutrition, Food Studies, and Public Health at New York University and author of *What to Eat* "Congratulations to Mas and family for putting together a long overdue tribute to the delicious peach! I can't wait to test out..."
