Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Classic Stories for the Little Ones: Adapted From the Tales of Andersen, Grimm Brothers and Others An extended explanation of the function of fairy stories in a child s education, and of the method of teaching them is given in the appendix to the Teachers and Mothers Edition of this little volume. These stories, in the form here presented, are the result of repeated experience in telling them to children of the first grade, and the language is so simple that second grade children can read for themselves the stories which have already become dear to them. The first story is npt literature, it is true, but it has delighted young children for generations. The rhythmical movement and repetition in parts of it are probably the source of much of this delight, which marks the birth of the literary sense in the young child. The stories grow rapidly in literary and moral worth throughout the volume. The author desires to acknowledge her obligations to the writers and publishers of the poems that appear and add materially to the value of the book; also to Geo. P. Brown, and Charles and Frank McMurry, who have aided greatly by their suggestions. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
