Simon Schuster Ltd, United Kingdom, 2009. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. Written in the form of extended letters to his new great-granddaughter, Life Beyond Measure offers perspective and wisdom gained from Sidney Potier s own remarkable life -- growing up in the Bahamas, breaking the race barrier in theatre and film during the Civil Rights era, and achieving stardom and success not only in Hollywood but also as a diplomat and humanitarian. In his role as a father, grandfather and great-grandfather, he shares personal stories for those important passages through life: first day at school as well as graduation, learning right from wrong, first job and career choices, falling in love and surviving a break-up, wedding day and commitment in marriage, first child and parenthood, maturity and loss, and what kind of legacy will stand the test of time.
